

# Documentation now on docs.infor.com

As part of our plan to move current versions of product documentation to Documentation Central, *Infor Cloverleaf Global Monitor Release Notes* is no longer available on the Infor Support Portal.

To view this documentation, go to <https://docs.infor.com/en-us/clfgm/21.1.x>.

You can view or download a PDF of your documentation from the browser. You can also print individual topics.
