

Documentation now on docs.infor.com

As part of our plan to move current versions of product documentation to Documentation Central, *Infor ERP LX V8.3 Entity Relationship Diagrams* is no longer available on the Infor Support Portal.

To view documentation for this product, go to <https://docs.infor.com/en-us/lx/8.3.x>.

You can view or download a PDF of your documentation from the browser. You can also print individual topics.
