

Documentation now on docs.infor.com!

To provide you with an enhanced and more engaging experience, we are in the process of moving our product documentation online.

SunSystems v4.4.2 Technical Reference Manual is no longer available on the Infor Support Portal. To view this document, go to <https://docs.infor.com/en-us/sunsystems/4.4.x>.

You can print or download a PDF of your documentation or view it in the browser. You can also print individual topics.

Information Development and Translation. Guiding you to success, wherever you are. docs.infor.com
