## **Documentation now on docs.infor.com**

As part of our plan to move current versions of product documentation to Documentation Central, M3 Procurement User Guide is no longer available on the Infor Support Portal.

To view this documentation, go to <u>https://docs.infor.com/en-us/m3udi/15.1.4</u>.

You can view or download a PDF of your documentation from the browser. You can also print individual topics.
