

## **Release Notes** version 1.0 (November 4, 2002) **Language Packs for B2B Server 2.3**

This Language Pack for B2B Server 2.3 deviates from the English version in the installation, system administration, and customer use. This document briefly explains the differences.

### **Pre-Requirements**

B2B Server 2.3 is installed. If Service Packs are available these should be installed as well.

### **Installation**

Create an empty folder on the webserver.

Start the language pack .exe file and extract it to the newly created folder

Start setup.exe from the new folder

### **Note**

- Only upgrade to newer release of B2B Server if language packs for all your installed languages are available.
